We, the Class of '47, wish to dedicate this yearbook as our final accomplishment to Miss Edith Jennings, in appreciation of her cooperation and encouragement through all obstacles we have encountered. Her charming personality has inspired us in our moments of distress, and her wonderful advice throughout our high school years has aided us to achieve our final goal—*Graduation*.

Although he has only been with us for one year, we have found Mr. Langworthy a good principal and a good friend.

# SENIORS

OF

# 1947

All the work and fun of High School reach a grand climax in the Senior Year. We as Seniors reached this peak with a minimum of sorrow and an abundance of good times.

We hold our Senior advisors responsible for this happy fact since it was under their guidance it was attained. These Advisors are Miss Dorothy Phillips and Mr. Victor Rossi, the two we Seniors love best.

**WILLIAM AGOR**

Although Billy is lacking in height, he is overloaded with ambition—the quiet type (when he wants to be)—his hobby is raising and caring for ponies on his farm—favorite excuse is, "I had to work"—an active member of the Rifle Club.

**LELAND BARGER**

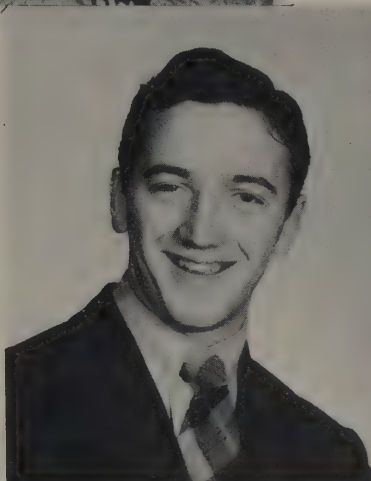

The blond haired guy with the camera—has a fine collection of pictures—hmm??? Leland's experience in the band and orchestra makes him a likely candidate for an orchestra leader—has been in the Rifle and Chef's Clubs but makes the Photography Club his hobby. Has been Police Chief of the efficient police force.

**EDMUND BARNES**

The quick witted fellow with a flashing smile—chief occupation during play practice was annoying Mr. Tedesco—well known actor in both the Junior and Senior plays—has played football, basketball, baseball and track—likes girls and ice cream—can be seen around town looking over the "prospects"—or in the dark room collecting from the Washington trip.

**GUS BONIELLO**

"Gus" has been with us since our Junior year. He has proven his worthiness in his studies and in Senior activities. A favorite with the teacher—known as an all round pal—has a very prominent sense of humor supported by umpteen volumes of jokes(?)

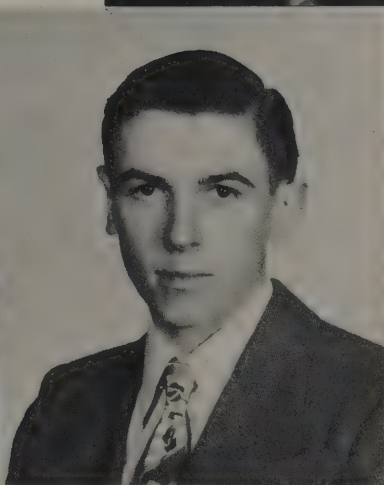

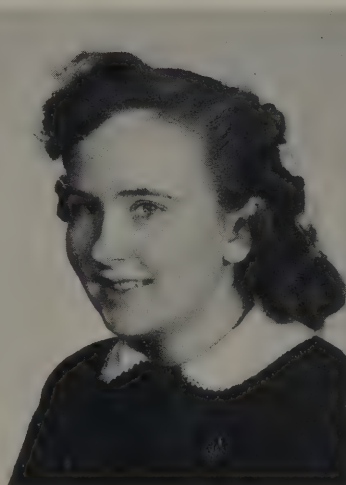

**BERNICE BUNYEA**

Bernice holds the undisputed title for the quietest girl in the class, but don't let her deceive you. Bernice has been known to be quite talkative in the Library, fourth period, when sitting next to a certain handsome lad. Her voice has been an asset to the Chorus for 2 years. We can best describe Bunny as "Sweet and Lovely."

**RUSSELL BUNYEA**

"Boney", quiet and serious but quick witted—spends all his time driving around (alone ?)—Favorite subject is Solid Geometry—faithful worker in all Senior enterprises. Belongs to the Chef's Club, Rifle Club and is a member of the Track Team. We predict a golden future for him as Gordineer's manager.

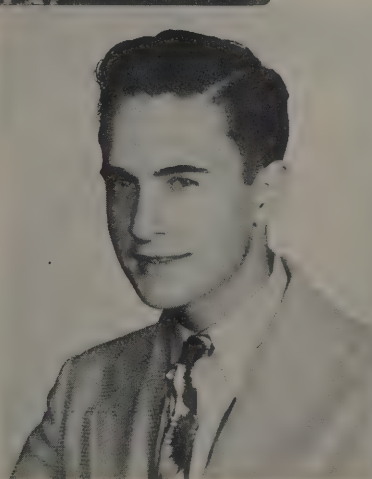

**ALVARO CASAGRANDE**

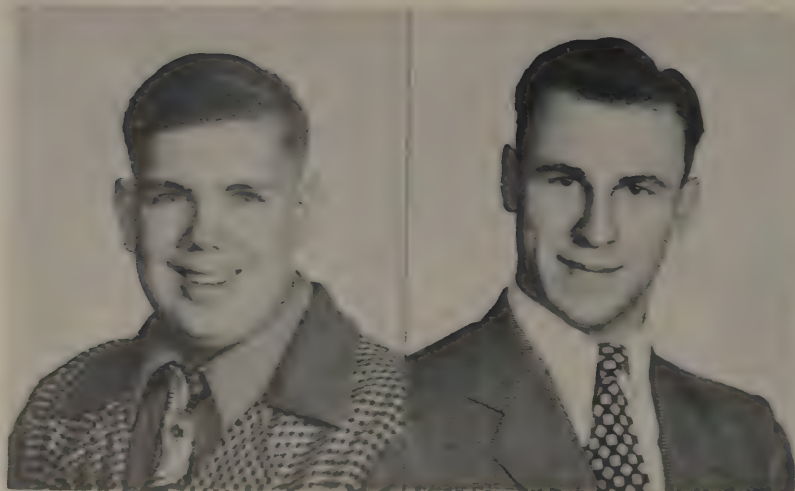

The Don Juan of the Senior Class—definitely hard to get—"Peter Westley" in the Junior Play. Casta has a sharp eye for basketball and his height is handy for first base in baseball. Ambition is to own a trucking business—and, knowing our "Handsome", we think it's a cinch.

**EDITH DAROS**

Although Edith has only been with us for 2 years her ready smile has proved a valuable asset to our class. A member of the Chorus, Photography Club, Student Council and the "Blue and Gold" Staff, Edith is an all round "backer upper."

**JAMES DUCEY**

The Dreamer—Member of the band for four years, Aviation Club, Orchestra—Jimmy's strength was lent to the football team but his mind is forever occupied by planes. His happy go lucky disposition has made him one of the smilingest kids in the school.

**RALPH GORDINEER**

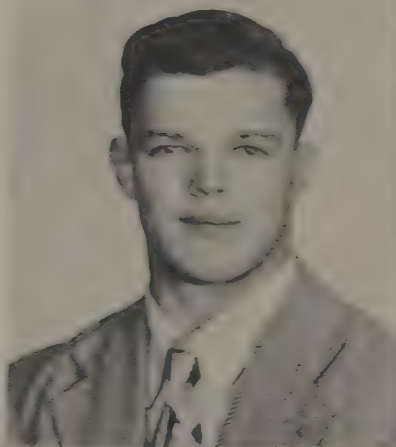

Ralph has been acclaimed as the greatest fullback in High School Football—he has been outstanding in basketball, baseball and track, also. We know Ralph as not only good in sports but a good sport himself. He was well liked as "Butcher Boy Bean" in the Senior Play. Member of the Rifle Club, Ralph is a swell guy and liked by all.

**FRANK HIERLWIMMER**

"Frankie"—Always remembered for his athletic ability showed in all Sports—a smooth dancer—was active in the Chef's Club and the Rifle Club—a member of the Octette—plans to enter the Marines—makes women his hobby.

**JOAN HILLMANN**

Joan has quite a way with the "Fellows." Her dramatic talent has been shown in both our plays—the brilliant squeak of her clarinet will be greatly missed in the band next year. A varsity cheerleader for 3 years, Joan is the only Senior to have a perfect attendance record for all 4 years.

**THELMA HISSEY**

Thelma has the distinction of being the only member of the class to complete High School in 3 years. Her singing ability was contributed to the chorus and the Sextette. Her Journalistic power which was evident in her writing for the Courier will not doubt aid her to future success.

**VIOLA HYATT**

This dark eyed Miss has proved the slogan "Where there's a will there's a way" in salesmanship for the Senior class. Vi has been in the Chorus for 2 years and was a member of the Handicraft Club and President of the Homemaking Club. We believe all that homemaking training will come in handy in the near future.

**CHRISTINE JONES**

Miss Jennings' "Girl Friday," Chris has lent her surprising secretarial ability to the office this year and managed also to be active in sports, the Commercial Club, and the social world. Christine's ambition lies in the field of aviation and all we can do is wish her the best of luck.

**SHIRLEY LAZARUS**

Shirley is this year's glamour girl, smooth dancer—leads the fashion parade with all the latest styles—has been a member of the Chorus for 2 years. We figure she's a good bet for a fashion model in the future.

MARJORIE MILLICKER

The lovable Miss with dark hair—Chief quotation "Know what I like?"—likes the names of Jack and Hennie best—superb in the oratorical contest and a prospective candidate against Eleanor Roosevelt in the next election—Editor in Chief of the Wampus—Varsity Cheerleader for 3 years—has been to Girls State—vivid actress in both the Class Plays. Midge is well-known as our best arguer.

SUE MITCHELL

Susie is our talkative gal from Lake Secor—her picture collection of Secor boys has had the girls drooling all year. Susie has taken part in both our Class Plays. Her likes are Jack, dancing, anything pink, and white bobby-sox. Dislikes Florida and definitely prefers blondes.

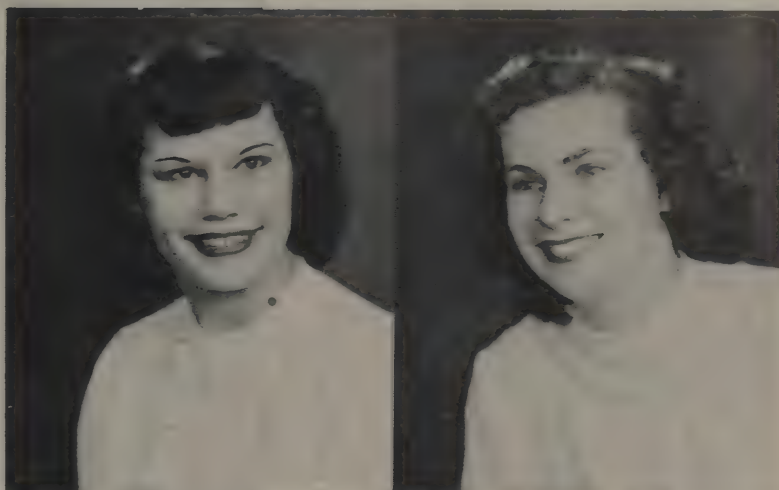

MARION LYON

The Vice-President of the Class of '47 for 2 years and a strong supporter of all our money making schemes. Blondie has been active in sports, a member of several clubs, and took part in both our class plays. Her sunny smile predicts a brilliant career in the field of politics. "Chip off the old block," huh!

DORIS McHUGH

Member of Handicraft and Photography Clubs, the Chorus and Treasurer of the Senior Class. Her quiet patience in unscrambling our battered finances win her a place of honor in our memory book.

ALFRED MOORE

"Sam" the wit of our class—this Casanova spends his time courting other schools' cheerleaders—tells corny jokes—has been in the band and orchestra 4 years—member of Chef's Club and Student Council—plays baseball, football, basketball, and track—ambition—to become a butcher (ham a specialty).

SONNY OAKLEY

Our Glen Davis of Mahopac High—very active in all sports throughout High School—his running ability has made him an asset to all the teams. Sonny was President of the Student Council this year and a member of the Chef's Club for 2 years—his part in both our Junior and Senior plays will always be remembered.

ROBERT O'CONNOR

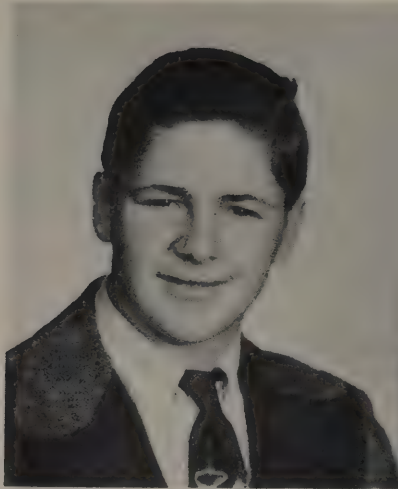

Bob joined the ranks in our Junior Year—his artistic touch can be seen throughout this year-book—a great flychaser in baseball and manager of our basketball team—his machine (car?) has been part of the scenery around here during his high school career. Member of Chef's Club and a sharp shooter in the Rifle Club. Famous last lines—"I'm a lover, not a fighter."

FRANCIS POSCICH

This handsome lad has been President of our class for 3 years and proved invaluable in this position. His "talent" has also been supplied to the Student Council, our undefeated football team, Chef's club and track team. Francis has been largely responsible for the formation of the Rifle Club and took part in the Junior Play—to sum it all up—he's been "Posy" on the spot all along.

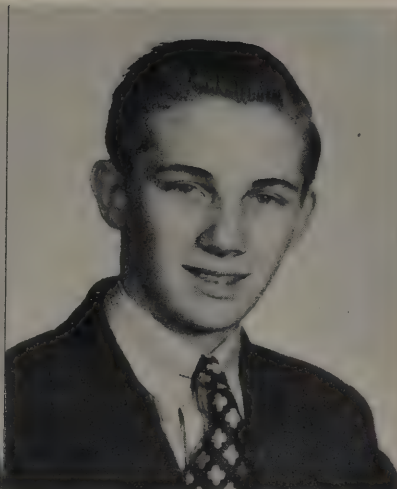

**ANNA SAVINO**

Member of the Chorus for 2 years, Student Council and Art Editor for Wampum. Anna has more than her share of God's gifts including a beautiful voice, very good looks and startling artistic ability. With all these "talents", Anna is a sure bet for a very successful little miss.

**ERNEST SCHUENZEL**

Our efficient worker and faithful student—surprised us all by learning to fly—can be seen flying over familiar places (Lake Secor)—has been a member of the Student Council 4 years, Chef's Club, Rifle Club, has been active in all sports including basketball, and track during his High School career. Likes (??) girls with a capital G.

**PAUL REDLON**

Whitey, our "Genius—small but tough and forever hitting "Posy"—comes from Maine with a characteristic drawl—member of the Student Council, Student Police Force (thinks he's chief)—runs Redlon's Dept. Store in his spare time—future, indefinite.

**ANDREW RUDEMYER**

Four years in the Band makes him the second Harry James. Tall, blond, and handsome—likes Peekskill—very prominent in Intramurals with his athletic ability—Gump's 2 years in Chef's Club will make him a good husband for some lucky girl.

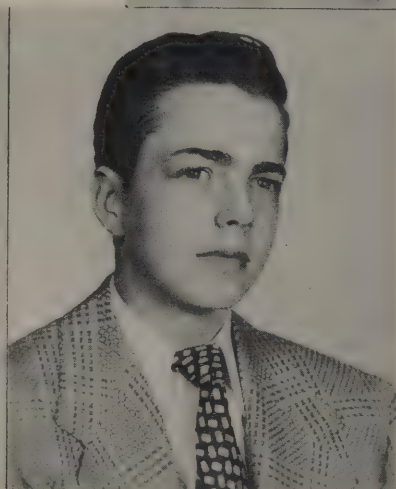

**IRENE SWARM**

Irene—a member of Dramaic Club, Chorus, Home-making Club—with hair of gold and a heart to match. Irene has been the top Senior salesman. Her dramatic talent won the hearts of the audiences in both plays. Her likes are—Men, Hog Lane, Green Eyes and Food.

**WALTER SWARM**

Walt is our prize conquest, he holds the title of the only Navy veteran to graduate with our class. Active in all sports including 4 years of football, 2 years of baseball and basketball. Our red-headed Swede likes girls (Edith in particular).

**SYLVIA SMITH**

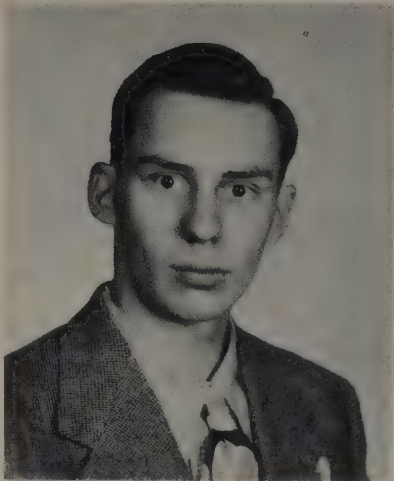

Patt has been chief poster maker for the Senior Class, a member of the Dramatic Club and Chorus for 2 years. Without Patt's makeup ability our plays couldn't have been half so successful. With her talent Patt is sure to become a well-known artist in the future.

**JOHN SPAIN**

Johnny will be missed greatly by all the teachers —(?) ambition is to keep the class alive at all times—plays a smart game of football, rugged under the backboards and sharp player in baseball. Portrayed nicely a typical college student in both our plays—likes June Allyson and Gilda.

HERMAN TEMPELMAN

Herman—official arguer for our class, tall and lanky with a positive genius for Chemistry and Physics. His spontaneous quips added plenty of humor to the daily grind. Herm was a member of the Chef's Club and Student Council and a star member of the newly formed Rifle Club. In the future, Herman can be depended on to blow up everything available with his atomic fission.

MARJORIE UPHAM

"I'm always thinking of you, Margie"—one look at this blonde and you know the reason why—best known for her giggle. The Chorus will certainly miss Margie next year for more than one reason. We predict a brilliant future for Margie in the field of "Homemaking".

MARY ZIMMONS

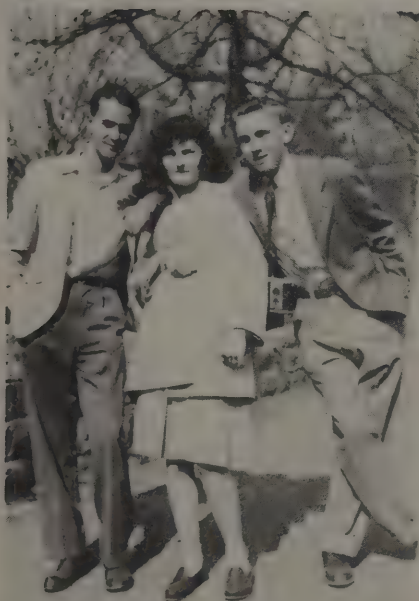

Petite and feminine but don't let that fool you—this little girl has a brain under that soft brown hair. Mary is better known as "The Juliet of the Library". She likes Brewster and detests exercises.

Four long eventful years have passed since we entered High School as green freshmen. The girls' main interest was their newly acquired permanents and the boys were still in the bean shooter stage.

A year passed and the boys began to realize that girls were "people" too. Junior Varsity Sports heroes became the fad among the girls.

Our Junior year brought the play and prom with budding romances flourishing. Then came our ultimate goal — our Senior year and graduation.

### JUNIOR CLASS HISTORY

*President, Gertrude Pinckney*

*Vice-Pres., Bob Nussbaum*

*Secretary, Enis Dellosa*

*Treasurer, Dick Craft*

This year has been an eventful one for the Juniors because of their participation in real high school activities. As Juniors they have begun to raise funds for their Senior trip in various ways—selling pencils, Junior Play, "Case of Springtime", and their Junior Prom. With the arrival of their class rings they felt as though they really belonged.

Many of our boys have participated in sports and are now a vital part of the teams. The girls have gone out for Cheerleading and most of the Varsity squad is composed of Junior Girls.

With the closing of this term the Junior Class will be launched into seniorhood where they expect to set a record for themselves—and for their School.

### SOPHOMORE CLASS HISTORY

*President, Shirley Smith*  
*Vice-Pres., Frances Baisley*

*Secretary, Elfrieda Griebel*  
*Treasurer, Beatrice Loretz*

The class of '49 after having broken through the ranks of "Green Freshmen" and Sophisticated Sophomores" now look forward to claiming the title of "Jolly Juniors."

Our class has contributed greatly to the various activities of the year. In sports, we have held our own fairly well. With five boys on the J. V. team and one on the Varsity. Most of our girls are on the girls' basketball team.

Commercial Club, Photography Club, and Chorus have all been boosted by the attendance of members of our class. We are all looking forward to the eventful two years ahead which hold in store for us more significant and even greater achievements. (With plenty of fun too!)

In September 1946 we finally reached High School and were known to all as Freshmen! At first we all felt new and shy, but after a while this wore off and we became used to the new atmosphere.

Latin was soon regarded as a dread subject by all in that class and Miss Phillips had quite a time drumming the five cases into our heads.

Algebra proved much the same and soon we were dreaming of X's looking like Miss Compton.

Those who were taking commercial courses were exploring books in Junior Business Training and much to their dismay had scads of homework.

In October 1946, we had a tea for our parents and charged 10 cents admission which the members of the class paid. This somewhat raised our treasury.

Every one agrees that if we have as much fun during the rest of High School, as we have had in our Freshman year, we should all be happy.

## FOOTBALL

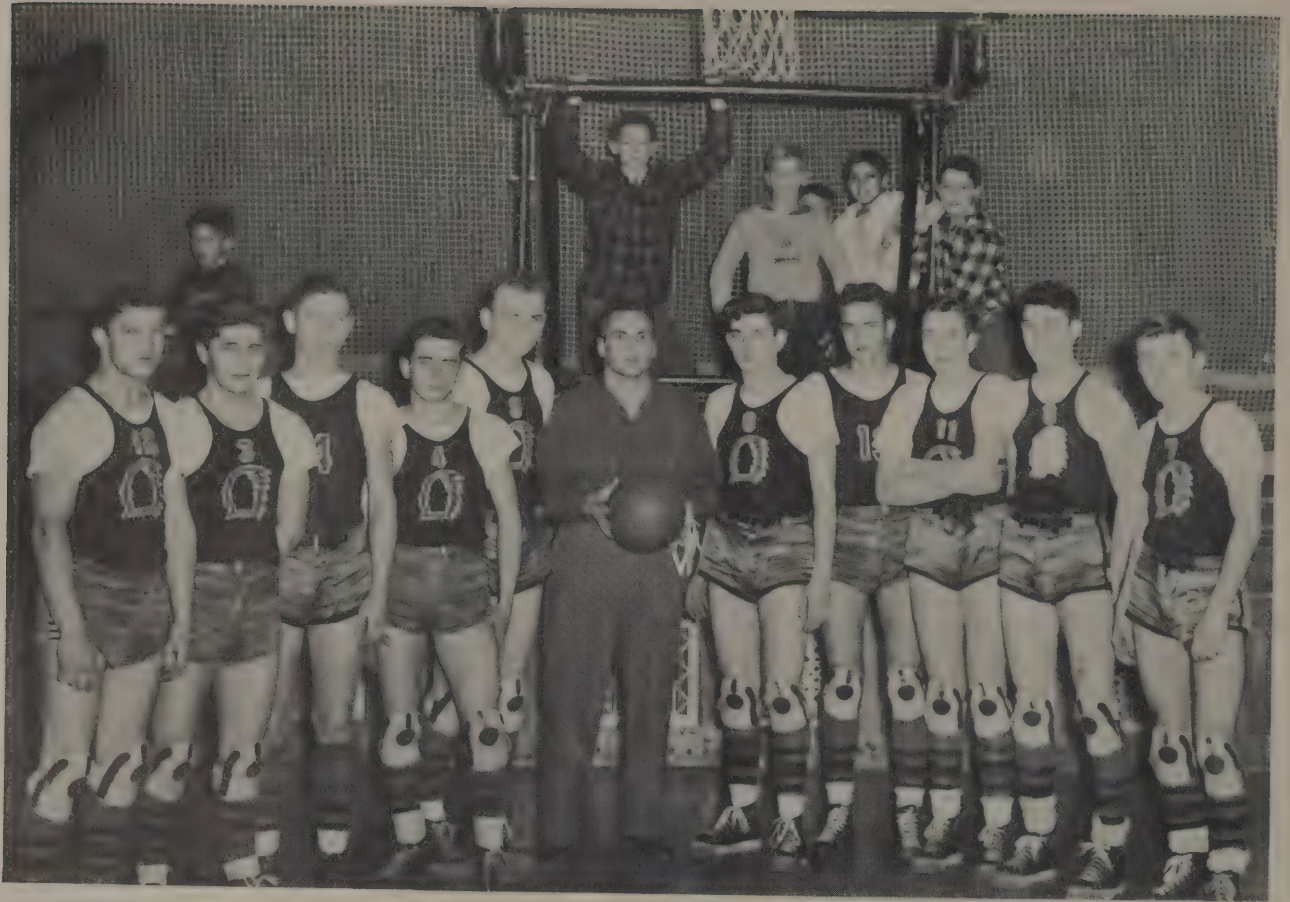

This year our boys weren't supposed to win many games as predicted by the coaches of the county, due to the fact that after three years of six-man football, we were not experienced enough for eleven-man ball. Luckily we crossed everyone up, and went through the season undefeated, having only twelve points scored against us.

Our backfield was the greatest asset, as we had both speed and driving power. The line, which nobody could penetrate, was the best seen around in a long time. After their victorious season, the boys were given three dinners by Mallory Stevens, the Board of Education and Al Berger, proprietor of the White Oaks. For their trophy collection they received several cups and each man received a silver football.

## BASKETBALL

*Left to right—Frank Hierlwimmer, Sonny Oakley, Alfred Moore, Calisto Bertin, Lou Wright, Coach, Bob Nussbaum, Alvaro Casagrande, John Spain, Andrew Donelli, Ted Carloni.*

## TRACK

## BASEBALL

Our baseball team looks pretty good as we have many of last year's veterans. We are only minus the services of Joe Bellucci, Bob Mulder, Harold Hoag, Al Crew, and Frank Hierlwimmer. Teddy Carloni and Eddie Barnes are expected to do most of the pitching while Ralph Gordineer will be on the receiving end. Alvaro Casagrande is the potential power at first, John Spain on second, Alfred Moore on third. Our star Sonny Oakley will be seen playing short stop.

The outfield will have such boys as Francis Poscich, Andy Donelli, Bobby Nussbaum, Bob O'Connor and Richard Daros. To sum it all up, when the team gets in shape it should be good and a successful season should follow.

## GIRLS' BASKETBALL TEAM

Every Tuesday and Thursday the sound of tramping feet coming from the gym, could be heard echoing through the corridors of good old M.H.S. But, if one looked in upon this show of skill he would be amazed to find a group of hardy females scurrying about the court instead of the usual masculine brigade.

Due to the team's late start, only a few games were scheduled for the season. Despite this handicap the girls met the Yorktown, Purdys', and Carmel teams. Aside from their out-of-town games, intramural sports were held during the noon-hours.

Under the direction of Miss Govern and the management of the ever-faithful Louise Casagrande, the girls enjoyed themselves immensely. Next year it is planned to organize much earlier and the team promises to be bigger and better.

## CHEERLEADERS
